To whom it may concern

This letter certifies that Staro Process Controls (PTY) Ltd has been appointed as an official Level 1 Distribution Partner to SMC South Africa PTY Ltd. Staro Process Controls (PTY) Ltd is currently operating in Sasolburg but is not restricted to these areas only.

We at SMC Pneumatics South Africa undertake to provide Staro Process Controls (PTY) Ltd and their customers with all the necessary support and assistance as may be required in relation to any product and/or technical support involving SMC products.

We as SMC Pneumatics South Africa also undertake to honor all warranties on any SMC product bought, and used within the product specification, through Staro Process Controls (PTY) Ltd as part of this agreement.

This authorization and agreement shall remain in effect until notification by SMC South Africa that such authorization is revoked. We are confident that Staro Process Controls (PTY) Ltd will be able to provide excellent support and service to the customer for our range of world class, quality products.

We look forward to a long and successful partnership.
