## Approved Distributor of SMC Corporation (ZA) Products

To whom it may concern

This letter confirms that:

**Staro Distribution (Pty) Ltd**  
**17 Venus Street,**  
**Sasolburg, 1947**

Represented by: **Patrick Hulley** and contactable on **+27 82-452 4728**

is approved as a Long Standing Distributor for products purchased from SMC Corporation South Africa (Pty) Ltd. This approval remains effective and is regularly reviewed as necessary to ensure their suitability.

As SMC Corporation South Africa, we undertake to provide **Staro Distribution (Pty) Ltd** and their customers with the necessary support and assistance, as may be required, in relation to any product and/or technical support involving SMC products.

We as SMC Corporation South Africa also undertake to honour all warranties on any SMC product bought through **Staro Distribution** as part of this agreement, conditional to it being used within the product specification and under suitable conditions as stated by product documentation.

This authorization and agreement shall remain in effect unless notification is issued by SMC Corporation South Africa that such approval is revoked, with good reason. We are confident that **Staro Distribution** will be able to provide excellent support and service to their customers for our range of world class, quality products.

We look forward to a long and successful partnership and trust they will effectively support your own Automation ambitions.
